The Declarant desires to provide for the preservation of the values in the properties with respect to any dwelling unit to be constructed on any lot constituting a portion of the properties, and to that end, desires to establish an Architectural Control Committee in order to provide and maintain certain standards as to harmony of external design and location in relation to surrounding structures and topography.

(b) Architectural Control. Unless expressly authorized in writing by the Architectural Control Committee (the "Committee") no dwelling unit, fence, wall, driveway or other structure nor any exterior addition or alteration to any existing dwelling unit, nor any clearing or site work shall be commenced, erected or maintained upon the properties, until plans and specifications therefor showing the shape, dimensions, materials, basic exterior finishes and colors, location on site, driveway, parking, well (if any), septic tank and drain field (if any), floor plan and elevations therefor, and landscape plan (all of which is hereinafter referred to as the "plans"), shall have been submitted in duplicate to and approved in writing, as to harmony of external design and location in relation to any surrounding structures and topography, by the Committee. The Committee shall have the absolute and exclusive right to refuse to approve any such plans and specifications which are not suitable or desirable in the opinion of the Committee for any reason, including purely aesthetic reasons which in the sole and uncontrolled discretion of the Committee shall be deemed sufficient; provided that the Committee shall not refuse to approve any plans and specifications which are substantially similar to any other plans and specifications which previously have been approved for any dwelling unit. In no event will the Committee approve any plans in which the dwelling unit at the highest point on its roof exceeds 40 feet in height, measured from the finished grade. In no event shall the Committee, in the exercise of its discretion, approve the location of a dwelling unit or garage within 25 feet of the front line of any lot, within 15 feet of the side lines of any lot and within 25 feet of the rear line of any lot. Provided, however, in the event a contractor should inadvertently and unintentionally (as determined in the sole discretion of the Committee) locate a dwelling unit or a garage in violation (to a minor extent) of the requirements of the foregoing sentence, the Committee (in its sole discretion) may waive such minor violation.

(c) Architectural Control Committee.

(1) Membership. The Committee shall be composed of three (3) persons, who need not be Members of the Association, appointed by the Board. A majority of the Committee may designate a representative to act for it. In the event of death, resignation, or removal by the Board of any member of the Committee, the Board shall have full authority to designate a successor. Unless otherwise approved by the Association, neither the members of the Committee nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. The Association shall keep, or cause to be kept, a list of the names and addresses of any designated representatives of the Committee, and such a list shall be available to any Owner.

(2) Procedure. At least thirty (30) days prior to the commencement of any construction, the plans shall be submitted to the Committee. No lot shall be used except for residential purposes with the exception of any sales center constructed by the declarant, and no building of any type shall be erected, altered, placed, or permitted to remain on any lot other than a Dwelling Unit, which shall comply with any applicable zoning regulations. In the event of any additions to the Properties, as provided in Article One, by the Declarant or others, the easements created hereby shall exist on the lots in such additions to the Properties. These easements and rights expressly include the right to cut any trees, bushes or shrubbery, take or add any soil, or to take any other similar action reasonably necessary to provide economical and safe utility installation or to maintain reasonable standards of health, safety and appearance.

(d) Minimum Square Feet in Dwelling Unit. Each Dwelling Unit shall contain a minimum of 1800 square feet of living area for non-oceanfront lots and 2200 square feet for oceanfront lots. Measurements shall be made to exterior walls. (e) Temporary Structures. No structure of a temporary character shall be placed upon any portion of the Properties at any time, provided, however, that this prohibition shall not apply to shelters or huts used by contractors during the construction of a Dwelling Unit, or improvements or additions thereto, on any lot. Temporary shelters, tents, recreational vehicles, trailers (whether attached or unattached to the realty) may not, at any time, be used as a temporary or permanent residence or permitted to remain on any portion of the Properties. However, the Declarant shall be permitted to locate one (1) sales center on the Properties, and any Owner may locate a construction trailer on his lot during the period of construction or remodeling of a Dwelling Unit.

Excepted herefrom shall be damaged trees or trees which must be removed because of an emergency.

- (l) No Offensive Activity or Fires. No noxious or offensive activity or excessive noise shall be carried on upon any portion of the Properties, nor shall anything be done tending to cause embarrassment, discomfort, annoyance or nuisance to any Owner, tenant or guest thereof, in any portion of the Properties. The Committee shall require written proposals for the reestablishment of any such disturbed area. Any vegetation disturbed during construction shall be repaired to the satisfaction of the Committee prior to Owner applying for an occupancy permit from Currituck County or the appropriate municipal body. This shall not prevent the Committee or the Association from engaging in such earthmoving, cleaning, mowing, and pruning activities as are necessary to affect the overall plan of development.

When more than one person or entity holds an interest in any lot or dwelling unit, all such persons shall be Members, and the vote for such lot or dwelling unit shall be exercised as they among themselves determine and such persons shall designate one (1) person to vote for their lot or dwelling unit, but in no event shall more than one (1) vote be cast with respect to any such lot or one and one-half (1-1/2) votes with respect to any such dwelling unit.

The Board of Directors may by unanimous action, after consideration of current cost and future needs of the Association, fix the annual regular assessment for any year at an amount less than the applicable minimum regular annual assessment, but such action shall not constitute a waiver by the Association of its right to revert to the full regular minimum assessment in subsequent years.

Section 5. Special Assessments for Capital Improvements. In addition to the regular annual assessments authorized by Section 4 hereof, the Association may levy in any assessment year, a special assessment, applicable to that year only, for the purpose of delaying, in whole or in part, the cost of construction or reconstruction, unexpected repairs or replacement of any capital improvement (including, without limiting the generality thereof, any lake, the recreational facilities, waterway, or pond) located upon the Common Properties or the limited Common Properties, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the consent of two-thirds (2/3) of the votes of the Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members in accordance with the provisions of the By-Laws for Special Meetings; provided further, that the limitations of Section 4 hereof shall not apply to any change in the maximum amount and basis of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized by law to participate or as an incident to any (i) additions to the Properties under Article One, Section 2 or (ii) submission pursuant to Article One, Section 2 of this Declaration.

Section 6. Change in Basis and Maximum Amount of Annual Assessments. Subject to the limitations of Section 4 hereof and for the periods therein specified, the Association may change the maximum amount and basis of the regular annual assessments fixed by Section 4 hereof prospectively for any period provided that any such change shall have the consent of two-thirds (2/3) of the votes of Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members in accordance with the provisions of the By-Laws for Special Meetings; provided further, that the limitations of Section 4 hereof shall not apply to any change in the maximum amount and basis of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized by law to participate or as an incident to any (i) additions to the Properties under Article One, Section 2 or (ii) submission pursuant to Article One, Section 2 of this Declaration.

The Board of Directors shall fix the amount of the annual assessment at least fifteen (15) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association, upon demand at any time, shall furnish a certificate in writing signed by an officer of the Association setting forth whether the assessments on a specified lot or Dwelling Unit have been paid. A properly executed certificate of the Association as to the status of assessments on a lot or Dwelling Unit is binding upon the Association as of the date of its issuance.

The first assessments levied against any additions to the Properties, not now subject to assessment, at a time other than the beginning of any assessment period, shall be an amount which bears the same relationship to the annual assessment provided for in Section 4 of this Article as the remaining number of months in that year bear to twelve.

The first assessments levied against any additions to the Properties, not now subject to assessment, at a time other than the beginning of any assessment period, shall be an amount which bears the same relationship to the annual assessment provided for in Section 4 of this Article as the remaining number of months in that year bear to twelve.

The due date of any special assessment under (1) Section 5 hereof, or (ii) any other assessments permitted by this Declaration, shall be fixed in the resolution or resolutions authorizing such assessment.

ARTICLE EIGHT

Section 13. Declarant's Obligations for Assessments. The Declarant's obligation for assessments on unsold Lots or Dwelling Units subject to this Declaration will be limited to the difference between the actual operating costs of the Association, excluding reserves on the Common Properties, and the assessments levied on Owners who have closed title on their Lots or Dwelling Units. In no event, however, will the Declarant be required to make a deficiency contribution in any amount greater than it would otherwise be liable for if it were paying assessments on unsold Lots or Dwelling Units. After December 31, 2002, Declarant shall pay assessments as would any other Owner for each Lot or Dwelling Unit owned by the Declarant.

Notwithstanding any provisions of this Section 12, no Lot or any Dwelling Unit shall be exempt from said assessments, charges or liens. Section 12. Exempt Property. The following property subject to this Declaration shall be exempted from the assessments, charges and liens created herein: (a) all Common Properties as defined in Article Two hereof; and (b) all properties exempted from taxation by the laws of the State of North Carolina, upon the terms and to the extent of such legal exemption. Homestead exemptions shall not be considered an exemption.

Section 11. Subordination of the Lien to Mortgages or Deeds of Trust. The lien of the assessments provided for herein shall be absolutely subordinate to the lien of any first mortgage or deed of trust now or hereafter placed upon any Lot or Lots, or Dwelling Unit or Dwelling Units, subject to assessment. The subordination shall not relieve any Lot or Lots, or Dwelling Unit or Dwelling Units, from liability for any assessments now or hereafter due and payable, but the lien thereby created shall be secondary and subordinate to any first mortgage or deed of trust as if said lien were a second mortgage or deed of trust, irrespective of when such first mortgage or deed of trust was executed and recorded.

Section 10. Effect of Non-payment of Assessment: The Personal Obligation of the Owner. The Lien, Remedy of Association. If the assessments are not paid on the date due (being the dates referred to in Section 8 of this Article), then such assessment shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the Lot or Lots, or Dwelling Unit or Dwelling Units, which shall bind such Lot or Lots, or Dwelling Unit or Dwelling Units, in the hands of the then-Owner, his heirs, devisees, personal representatives, successors and assigns. The personal obligation of the then-Owner to pay such assessment shall remain his personal obligation for the statutory period; and, in addition, shall pass to his successors in title (as an encumbrance or lien against the Lot or Dwelling Unit) unless expressly waived by the Board of Directors. If the assessment or assessments is not paid within thirty (30) days after the delinquency date, the assessment or assessments shall bear interest from the date of delinquency at the rate of interest set by the Board, not to exceed the maximum rate permitted by law, and the Board acting on behalf of the Association, may authorize its officers to bring appropriate civil action against the Owner personally obligated to pay the same or to foreclose the lien against any such Lot or Lots, or Dwelling Unit or Dwelling Units, and there shall be added to the amount of such assessment, the costs of such action and reasonable attorneys' fee or other cost incurred by the officers of the Association pursuant to authority of the Board. In the event a judgment is obtained against any Owner for such assessments, such judgment shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the Court, together with the cost of the action.

Section 10. Effect of Non-payment of Assessment: The Personal Obligation of the Owner. The Lien, Remedy of Association. If the assessments are not paid on the date due (being the dates referred to in Section 8 of this Article), then such assessment shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the Lot or Lots, or Dwelling Unit or Dwelling Units, which shall bind such Lot or Lots, or Dwelling Unit or Dwelling Units, in the hands of the then-Owner, his heirs, devisees, personal representatives, successors and assigns. The personal obligation of the then-Owner to pay such assessment shall remain his personal obligation for the statutory period; and, in addition, shall pass to his successors in title (as an encumbrance or lien against the Lot or Dwelling Unit) unless expressly waived by the Board of Directors. If the assessment or assessments is not paid within thirty (30) days after the delinquency date, the assessment or assessments shall bear interest from the date of delinquency at the rate of interest set by the Board, not to exceed the maximum rate permitted by law, and the Board acting on behalf of the Association, may authorize its officers to bring appropriate civil action against the Owner personally obligated to pay the same or to foreclose the lien against any such Lot or Lots, or Dwelling Unit or Dwelling Units, and there shall be added to the amount of such assessment, the costs of such action and reasonable attorneys' fee or other cost incurred by the officers of the Association pursuant to authority of the Board. In the event a judgment is obtained against any Owner for such assessments, such judgment shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the Court, together with the cost of the action.

at that time, prepare a roster of the Lots and Dwelling Units and assessments applicable thereto which shall be kept in the Office of the Association, or at any other place designated by the Board upon notice to the Members, and shall be open to inspection by any Owner. Written notice of the assessment or assessments thereupon shall be sent to every Owner subject thereto.

An amendment to this Declaration may be proposed by the Board of Directors acting upon a vote of a majority of the Directors, or by the Members of the Association owning a majority of the voting interests in all of the lots and Dwelling Units, whether meeting as Members or by instrument in writing signed by them. Upon any Amendment to this Declaration being proposed by the Board of Directors or Members, such proposed Amendment shall be transmitted in writing to the President of the Association, or other officer of the Association in the absence of the President, who shall thereupon call a Special Meeting of the Members of the Association for a date not sooner than ten (10) days nor later than fifty (50) days from receipt by him of the proposed Amendment. It shall be the duty of the Secretary to give to each Member written notice of such Special Meeting, stating the time and place, and reciting the proposed Amendment in reasonably detailed form, which notice, if mailed, shall be mailed not less than ten (10) days nor more than fifty (50) days before the date set for such Special Meeting. If mailed, such notice shall be deemed to be properly given when deposited in the United States Mail. Certified with Return Receipt Requested, addressed to the Member at his post Office address as it appears on the records of the Association, the postage thereon prepaid. Any Member may, by written waiver of notice signed by such Member, waive such notice, and such waiver, when filed in the records of the Association, whether before or after the holding of the meeting, shall be deemed equivalent to the giving of notice to such Member. At the meeting, the Amendment proposed must be approved by an affirmative vote of sixty-six percent (66%) of the votes of Members (including the Declarant) entitled to vote in order for such Amendment to become effective. At any meeting held to consider such Amendment, the written vote of any Member of the Association shall be recognized and counted if such Member is not in attendance at such meeting or represented thereat by proxy, provided such written vote is delivered to the Secretary of the Association prior to or at such meeting. In order for such Amendment to be binding upon all the holders of mortgages or deeds of trust against any lot or Dwelling Unit in the properties, written consent must be obtained from the then existing (as of the date of the meeting of Members encumbering fifty-one percent (51%) of the lots and Dwelling Units in the properties. If such consent is so obtained, the Amendment shall be binding on all the holders of mortgages or deeds of trust encumbering lots and Dwelling Units in the properties. If so approved, such Amendment of this Declaration shall be transcribed and certified by the President and Secretary of the Association as having been duly adopted and approved by the requisite percentages of Members and lenders. The original or an executed copy of such Amendment so certified and executed by said officers with the same formalities as a deed, shall be recorded in the Currituck County Public Registry, and no such Amendment to this Declaration shall be effective until so recorded. If any Amendment to the Declaration creates an inconsistency in the Bylaws, to the extent such inconsistency exists, the Declaration shall control.
