Section 2: The name of the condominium shall be "Indian Summer - Condominium."

Section 7: There are no limited common elements with the exception of the parking space rights, as provided in Article II, Section 3 and the limited common elements created under Article IV.

Section 8: Easements and licenses appurtenant to or included in the condominium are recorded at Plat Book 4, Page 74, Currituck

County Registry and Book 131, Page 351, Currituck County Registry. These recorded instruments grant to owners, as property owners in Section F, Ocean Sands, nonexclusive easements in and to certain open spaces and private roads located within the real property known as "Ocean Sands." Additionally, the by-laws of Ocean Sands Property Owners Association, Inc. grants to owners a nonexclusive right to use the recreational facilities located in Ocean Sands.

Section 9: Declarant reserves the following special declarant rights for the entire Property, which shall be exercisable during the period of declarant control:

ARTICLE II

PROPERTY RIGHTS

Section 1: Ownership of a unit shall vest fee simple title to such unit in the owner.

Section 2: Every owner shall own an undivided interest in the common elements and shall have a right and easement of enjoyment in the common elements which shall be appurtenant to and shall pass with the title to every unit. The undivided interest of every unit owner in the common elements shall be proportionate to the total number of units in the condominium: one thirtieth (1/30) for each unit owned. The undivided interest in the common elements and the right and easement of enjoyment in such common elements are subject to the following:

(a) the Association shall have the right to charge reasonable admission and other fees for the use of any recreational facility situated upon the common elements; such fees to be in an amount sufficient to maintain or repair any common element recreational facilities in a reasonable and good condition;

(b) the Association shall have the right to suspend the voting rights and right of use of any recreational facilities by an owner for any period during which any assessment against his unit remains unpaid; and for a period not to exceed 60 days for any infraction of its published rules and regulations;

(c) the Association shall have the right to adopt such rules and regulations as may be needed to regulate the use and enjoyment of the common elements;

(d) the special declarant rights as set forth in Article I, Section 8.

Section 3: Every owner shall have a limited common element right to a parking bay located beneath the building on which the units are contained.

Section 4: Any owner may delegate his right of enjoyment to the common elements to members of his family or tenants.

ARTICLE III

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1: The declarant, for each unit owned within the Property, and each owner by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, hereby covenants and agrees to pay the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The liability of each owner for the common expenses of the Association shall be proportionate to the total number of units in the condominium: one thirtieth (1/30) for each unit owned. Any assessment levied against a unit remaining unpaid for a period of thirty (30) days or longer shall constitute a lien on that unit when filed of record in the office of the Clerk of Superior Court of Currituck County and shall accrue interest at a rate set by the Association not to exceed 18% per annum. The Association may bring an action at law against the owner, or foreclose the lien against the Property.

Fees (including attorneys' fees), charges, late charges, fines, and interest are also enforceable as assessments.

Each such assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessment shall not pass to his successors in title unless expressly assumed by them.

Section 2: The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage and ad valorem taxes. Sale or transfer of any unit shall not affect the assessment lien. The sale or transfer of any unit pursuant to mortgage or tax foreclosure or any proceeding in lieu thereof, however, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such unit from liability for any assessments thereafter becoming due or from the lien thereof.

Section 3: The annual assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents and in particular for the acquisition, improvement and maintenance of the condominium, services and facilities devoted to this purpose, and for the use and enjoyment of the common elements.

The Association may also levy a special assessment payable in a manner as specified by the Association for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the common

elements, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of a majority of the members.

Section 4: Until January 1 of the year immediately following the conveyance of the first unit to an owner, the maximum annual assessment shall be \$1,800.00 per unit, prorated for the remainder of said year.

(a) From and after January 1 of the year immediately following the conveyance of the first unit to an owner, the maximum annual assessment may be increased effective January 1 of each year without a vote of the membership by up to five percent (5%) of the previous year's maximum annual assessment.

(b) From and after January 1 of the year immediately following the conveyance of the first unit to an owner, the maximum annual assessment for the next succeeding two (2) years may be increased above the increase permitted in Section 4(a), provided that any such assessment shall receive the affirmative vote of two-thirds (2/3rds) of the votes of the owners who are voting in person or by proxy, at a meeting duly called for this purpose. Written notice setting forth the purpose of such meeting shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. No quorum shall be required.

(c) The executive board may fix the annual assessment at an amount not in excess of the maximum.

Section 5: Both annual and special assessments must be fixed at a uniform rate for all units and may be collected on a monthly basis.

Section 6: The annual assessments provided for herein shall commence at a date established by the Association. Once such annual assessments are established, written notice of the annual assessment shall be sent to every owner subject thereto. The due dates shall be established by the executive board.

ARTICLE IV

PARTY WALLS

Section 1: The walls and flooring connecting adjacent units are "party walls" and are situated on or about the boundary line separating such units.

Section 2: All finish flooring and any other materials constituting any part of the walls, floors, or ceilings are a part of the common elements, pursuant to G.S. §47C-2-102(1).

To the extent any duct, wire, conduit, or any other fixtures lies partially within and partially outside the designated boundaries of a unit, any portion thereof serving only that unit is a limited common element allocated exclusively to that unit, and any portion thereof serving more than one unit or any portion of the common elements is a part of the common elements, pursuant to G.S. §47C-2-102(2).

Any decks, porches, balconies, patios and all other exterior doors and windows or other fixtures designated to serve a single unit but located outside the unit's boundaries are limited common

elements allocated exclusively to that unit, pursuant to G.S.

§47C-2-102(4).

Section 3: Each wall which is built as a part of the original construction of a unit and placed on the dividing line between the units shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 4: The cost of reasonable repair and maintenance of a party wall shall be shared by the owners who make use of the wall in proportion to such use.

Section 5: Notwithstanding any other provisions of this Article, an owner who by his negligent or willful act causes a party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 6: The right of any owner to contribution from any other owner under this Article shall be appurtenant to the land and shall pass to such owner's successors in title.

Section 7: If any owner desires to sell his unit, such owner may, in order to assure a prospective purchaser that no adjoining unit owner has a right of contribution as provided in this Article IV, request of the adjoining unit owner a certification that no right of contribution exists, whereupon it shall be the duty of the adjoining unit owner to make such certification immediately upon request and without charges; provided, however, that where the adjoining unit owner claims a right of contribution, the certification shall contain a recital of the amount claimed.

Section 8: In the event of any dispute arising concerning a party wall, or under the provisions of this Article, such dispute shall be settled by arbitration as provided by the laws of North Carolina as then existing.

ARTICLE V

EXTERIOR MAINTENANCE

Section 1: In addition to maintaining the common elements, the Association shall provide exterior maintenance for each unit, subject to assessment hereunder, including the performance of the following, as needed: Paint, repair, replace and care of roofs, exterior building surfaces, trees, shrubs, walks, and other exterior improvements. Such exterior maintenance shall not include glass surfaces.

Section 2: In the event that the need for maintenance, repair, or replacement is caused through the willful or negligent act of an owner, his family, guests, invitees, or tenants, the cost of such maintenance, replacement, or repairs shall be added to and become a part of the assessment to which such unit is subject.

ARTICLE VI

ARCHITECTURAL CONTROL

No building, fence, wall or other structure or improvement shall be commenced, erected or maintained upon the condominium, nor shall any exterior addition or change therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing.

The exterior color of a unit cannot be changed unless the color scheme of the entire condominium is similarly changed. Any such change requires the approval of two-thirds of the owners at a duly called meeting at which a quorum is present.

ARTICLE VII

USE RESTRICTIONS

Section 1: No unit shall be used except for single-family residential purposes.

Section 2: No noxious or offensive activity shall be conducted upon any unit nor shall anything be done thereon which may be or may become an annoyance or nuisance.

Section 3: No animals, livestock or poultry of any kind shall be kept or maintained on any unit or in any dwelling except that dogs, cats or other household pets may be kept or maintained provided that they are not kept or maintained for commercial purposes. All household pets shall be kept on a leash at all times when outside the units.

Section 4: No outside radio or television antennas, including satellite dishes or receivers, shall be erected on any unit unless and until permission for the same has been granted by the executive board.

similar vehicle anywhere on the premises. No trucks shall be permitted except for standard 2-ton pickup trucks, or smaller sized truck.

ARTICLE VIII

EASEMENTS

Section 1: Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat. Within these easements no structure, planting or other material shall be placed or permitted to remain which may interfere with the installation and maintenance of utilities, or which may obstruct or change the flow of drainage channels in the easements.

Section 2: All units and common elements shall be subject to easements for the encroachment of improvements constructed on adjacent units by the declarant to the extent that such improvements actually encroach, including, but not limited to, such items as overhanging eaves, stoops, misaligned common wall foundation footings and walls, provided such encroachment does not interfere with the reasonable use of the common elements or units so encroached upon.

Section 3: Declarant shall have a reasonable construction easement across the common elements for the purpose of constructing improvements on the units. Declarant shall also have such easements through the common elements as may be reasonably necessary for the purpose of discharging a declarant's obligations or exercising special declarant rights as provided herein.

Unofficial Document

Section 4: The Association shall have a right of entry upon the units and any limited common elements to effect emergency repairs, and a reasonable right of entry upon the units to effect other repairs, improvements, replacement or maintenance as necessary.

Section 5: All easements granted herein are appurtenant to and shall run with the land, and shall inure to the benefit of and be binding upon the declarant, the Association, owners, occupants, and mortgage holders, and any other person or entity having an interest in the condominium.

ARTICLE IX

GENERAL PROVISIONS

Section 1: All powers granted in the declaration or the by-laws to the Association shall be exercisable by the executive board, except as expressly provided in the declaration, the by-laws, or G.S. §47-C.

Section 3: The Association shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this declaration, the by-laws and articles of incorporation of the Association. Failure by the Association to enforce any covenant or restrictions therein shall in no event be deemed a waiver of the right to do so thereafter.

Upon notice to the Association of a violation hereunder and a failure of the Association to take action upon said violation within 90 days, any unit owner, or other holder of an interest in the condominium may undertake the enforcement of the provisions of the declaration at his own expense.

Section 4: Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 5: The covenants and restrictions of this declaration shall run with and bind the land, for a term of twenty (20) years from the date this declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This declaration may be amended during the first 20-year period by an instrument signed by not less than ninety (90) percent of the unit owners, and thereafter by an instrument signed by not less than seventy-five (75) percent of the owners. Any amendment must be recorded.

Section 6: The fiscal year of the Association shall begin on the first day of January and end the 31st day of December of each year, except that the first fiscal year shall begin on the date of incorporation.
