#### ARTICLE V.

##### COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each lot owned within the properties, hereby covenants and each owner of any lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Townhouse Association: (1) annual assessments or charges and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. Any such assessment or charge, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purposes of Assessments. The assessments levied by the Townhouse Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the properties and in particular, for the maintenance, repair and reconstruction of the exterior of townhouse units and for the acquisition, improvement and maintenance of properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Townhouse Common Area, including but not limited to, the cost of repair, replacement and additions thereto, the cost of labor, equipment, materials, management and supervision thereof, the payment of taxes assessed against the Townhouse Common Area, the procurement and maintenance of insurance in accordance with the By-Laws, the employment of attorneys to represent the Townhouse Association when necessary, and such other needs as may arise. In addition, expenditures by the Townhouse Association for the landscaping, planning and maintenance of areas within lots, but lying outside of residence buildings and enclosed patio areas, shall be deemed expenditures for the recreation, health, safety and welfare of the residents of the properties and are hereby authorized.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first lot to an owner, the maximum annual assessment shall be \$75.00 per lot.

(a) From and after January 1 of the year immediately following the conveyance of the first lot to an owner, the maximum annual assessments above established may be increased, effective January 1 of each year, without a vote of the membership, but subject to the limitation that any such increase

shall not exceed five percent of the maximum assessment for the previous year without a vote of the membership. If the annual assessment is not increased by the maximum amount permitted under the terms of this provision, the difference between any actual increase which is made and the maximum increase permitted for that year shall be computed and the assessment may be increased by that amount in a future year at the election of the Board of Directors without a vote of the membership in addition to the maximum increase permitted under the terms of the preceding sentence.

(b) From and after January 1 of the year immediately following the conveyance of the first lot to an owner, said maximum annual assessments may be increased without limitation if such increase is approved by members entitled to no less than two-thirds of the votes.

(c) The Board of Directors may fix the annual assessments at amounts not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Townhouse Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Townhouse Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the same assent of the members as provided in Section 3(b) of this article.

Section 5. Assessment Rate. Both annual and special assessments must be fixed at a uniform rate for all lots and may be collected on a monthly basis.

Section 6. Notice and Quorum for any Action Authorized under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent of the votes appurtenant to each lot shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessments, Due Dates and Certificate of Payment. The annual assessments provided for herein shall commence as to all lots on the first day of the month following the conveyance of the first lot within the townhouse project. At least 30 days before January

1 of each year, the Board of Directors shall fix the amount of the annual assessment against each lot for the next year and at least 15 days before January 1 shall send written notice of such fixed assessment to every owner subject thereto. The due dates for the payment of annual and special assessments shall be established by the Board of Directors. The Townhouse Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Townhouse Association setting forth whether the assessments on a specific lot have been paid.

**Section 8. Effect of Nonpayment of Assessments; Remedies of the Townhouse Association.** Any assessment not paid within 30 days after the due date shall bear interest from the due date at the rate of eight percent per annum or the maximum interest rate permitted to be legally charged under the laws of the State of North Carolina at the time of such delinquency (whichever is greater), provided, however, that the interest charge hereunder shall not exceed ten percent per annum. In addition to such interest charge, the delinquent owner shall also pay such late charge as may have been theretofore established by the Board of Directors of the Townhouse Association to defray the costs of late payment. The Townhouse Association may bring an action at law against the owner personally obligated to pay the same or foreclose the lien against the property, and interest, late payment fee, costs and reasonable attorney's fees of such action or foreclosure shall be added to the amount of such assessment. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Townhouse Common Area or abandonment of his lot, or improvements thereon.

**Section 9. Subordination of the Lien to Mortgages.** The liens provided for herein shall be subordinate to the lien of any first mortgage, mortgages, first deed of trust or deeds of trust on a lot. Sale or transfer of any lot shall not affect any assessment lien. However, the sale or transfer of any lot which is subject to any mortgage or deed of trust, pursuant to a foreclosure thereof or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to the payment thereof which became due prior to such sale or transfer. No such sale or transfer shall relieve such lot from liability for any assessment thereafter becoming due or from the lien thereof, but the liens provided for herein shall continue to be subordinated to the lien of any mortgage, deed of trust or deeds of trust.

#### ARTICLE VI.

#### ARCHITECTURAL CONTROL

No building, fence, wall or other structure shall be commenced, erected or maintained upon the properties, nor shall any exterior addition to or change or alteration therein be made, including the erection of antennas, aerials, awnings, the placement of reflectives or other material in the windows of a townhouse unit or other exterior attachment, until the plans and specifications showing the nature, kind, shape, heights, materials, and location of the same

shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Townhouse Association, or by an architectural control committee composed of two or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within 30 days after said plans and specifications have been submitted to it, approval will not be required, and this Article shall be deemed to have been fully complied with. The Townhouse Association shall have the right to charge a reasonable fee for receiving each application in an amount not to exceed \$50.00. Neither the Board of Directors nor the architectural control committee shall approve any alterations, decorations or modifications which would jeopardize or impair the soundness, safety or appearance of any lot or the Townhouse common Area.

**ARTICLE VII**

**EXTERIOR MAINTENANCE**

In addition to maintenance upon the Townhouse Common Area, if any, the Townhouse Association shall provide exterior maintenance upon each lot which is subject to assessment hereunder, as follows: Paint, repair, replace and care of walks, roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, and other exterior improvements, including grass and other vegetation in those portions of each lot lying outside of the residence building and patio. Such exterior maintenance shall not include glass surfaces and each owner shall be required to maintain his own glass and his own patio, deck and fence, if any. In order to enable the Townhouse Association to accomplish the foregoing, there is hereby reserved to the Townhouse Association the right to unobstructed access over and upon each lot at all reasonable times to perform maintenance as provided in this Article.

**ARTICLE VIII.**

**INTERIOR MAINTENANCE**

Each owner shall maintain, repair and replace at his expense all interior portions of the improvements on his lot which shall need repair, including patios, fencing and decks located on the lot, if any, and all bathroom and kitchen fixtures, light fixtures or other electrical or plumbing equipment, pipes and fittings serving an owner's unit which are located in a party wall, if any. Further, each owner shall repair, maintain and replace at his own expense when necessary the heating and air conditioning systems servicing his dwelling, whether located on his lot or in the Townhouse Common Area adjacent to the lot.

Section 1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of the homes upon the properties and placed on the dividing line between the lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the owners who make use of the wall in proportion to such use.

Section 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any owner who has used the wall may restore it, and if the other owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Weatherproofing. Notwithstanding any other provision of this Article, an owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. Right to Contribution Runs With Land. The right of any owner to contribution from any other owner under this Article shall be appurtenant to the land and shall pass to such owner's successors in title.

Section 6. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision shall be by a majority of all the arbitrators.

## ARTICLE X,

**Section 5. Use of Townhouse Common Area.** The Townhouse Common Area, if any, shall not be used in any manner except as shall be approved or specifically permitted by the Townhouse Association.

**Section 6. Access to Lot.** The Townhouse Association, its agents or employees shall have access to all lots from time to time during reasonable working hours, upon oral or written notice to the owner, as may be necessary for the maintenance, repair or replacement of any portion of the Townhouse Common Area or facilities situate upon such lot which serve another owner's lot. The Association or its agent shall also have access to each lot at all times without notice as may be necessary to make emergency repairs to prevent damage to the Townhouse Common Area or another lot.

**Section 7. Clothes Drying.** The Townhouse Association may set forth rules dealing with drying or airing of any clothing or bedding which shall be permitted outdoors on any lot or in any other unenclosed area (including patios) within the properties, and such rules may prohibit same.

**Section 8. Signs.** No signs or other advertising devices shall be displayed upon any lot which are visible from the exterior of the dwelling thereon or on the Townhouse Common Area, or in the facilities thereon, without prior written permission of the Townhouse Association. **Section 9. Garbage Disposal.** All garbage shall be stored within the residence of each owner or in the storage facilities provided for said residence at the time same is constructed. No owner may change or supplement the garbage disposal facilities provided for such owner's residence on the date of completion of construction thereof unless the Board of Directors of the Townhouse Association shall first approve in writing the change or addition to the method of storage. It is provided, however, that if the public health authorities, or other public agency, shall require a specific method of garbage disposal, nothing herein contained shall prevent the compliance by owners with obligatory public rules and regulations.

The Townhouse Association may reserve and grant easements for the installation and maintenance of sewerage, utility and drainage facilities over the properties as provided in Article IV, Section 1(c) of this instrument. Within any such easements above provided for, no structure, planting or other material shall be placed or permitted to remain which may interfere with the installation of sewerage disposal facilities and utilities, or which may change the direction of flow or drainage channels in the easements or which may obstruct or retard the flow of water through drainage channels in the easements. In addition, the Townhouse Association shall have the continuing right and easement to maintain all sewer and water lines located on the lots including the right to go into townhouse units and disturb the structure and doors thereof in order to maintain those lines located within or under said units.

Every portion of a lot and each single-family attached townhouse constructed thereon and contributing to the support of an abutting townhouse shall be burdened with an easement of support for the benefit of such abutting townhouse. Further, all attachments to the exterior walls of a townhouse which are a part thereof but which protrude beyond the delineated boundaries of the lot upon which the dwelling is located, and which were constructed in conformity with the plans and specifications, shall be deemed to be included within said delineated boundaries and there is hereby reserved an easement to permit the construction of and continued existence of any such protruding attachment.

In the event owner fails or refuses to maintain such insurance coverage as herein required, the Townhouse Association may, but shall not be obligated to, through its agent or representative, secure and maintain such insurance coverage for owner's benefit, and the cost or expense thereof shall be deemed a special assessment levied by the Townhouse Association against owner and owner's lot in accordance with the other provisions of this Declaration, and owner covenants and agrees to pay to the Townhouse Association such special assessment upon demand.

**ARTICLE XIV**

**GENERAL PROVISIONS**

**Section 1. Enforcement.** The Townhouse Association, or any owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and restrictions now or hereafter imposed by the provisions of this Declaration.
